*Motion Carried (7 in favour, 0 against)*

It is moved by Richard Donaldson and seconded by Kathy Bourque that the municipality of argyle support an application for funding from Bell for the Develop NS rural internet initiative which will result in rural broadband improvements for many communities in our Municipality and that the Warden sign a letter of endorsement to support the application.

*Motion Carried (7 in favour, 0 against)*

CAO Muise clarified that there was an application previous to this for a CRTC application. This is two separate funding applications that the municipality is endorsing. This application is for additional communities. There are no guarantees that this application will be accepted by Develop NS but this is a strong endorsement of a Bell sponsored application that the Municipality of Argyle is putting forward.

There being no further business, it is moved by Richard Donaldson and seconded by Guy Surette to adjourn the Special Council Meeting at 4:13p.m.
