Mr. Neil MacKenzie
Nova Scotia Music Week

Mr. MacKenzie,

On behalf of the Municipality of Argyle, please accept this letter of support for the 2020, 2021, and 2022 Molson Canadian Nova Scotia Music Week Conference and Festival bid submitted by The Yarmouth and Acadian Shores Tourism Association.

NSMW is a celebration of our music industry, an economic driver and a community celebration. The positive impact of this event in the region is very welcomed. I believe that the town of Yarmouth will be a great host community for this event.

The municipality of Argyle fully supports the opportunity to host Molson Canadian Nova Scotia Music Week 2020, 2021, and 2022.

Sincerely,

Richard Donaldson
Warden
