Community Hall Grant request : **\$10,000**

<b><u>Revenues</u></b>		<b><u>Expenses</u></b>			
<b><u>Source</u></b>	<b><u>Amount</u></b>	<b><u>Description</u></b>	<b><u>Pre HST</u></b>	<b><u>HST</u></b>	<b><u>Total</u></b>
Funds saved (from bank acct)	\$30,000.00	Building improvement/repair (as per quote)	\$13,667.90	\$2,050.19	\$15,718.09
Total	\$30,000	Total	\$13,667.90	\$2,050.19	\$15,718.09

Nature of the request :

As we are aware the COVID-19 has put a halt to our fundraising. We have many projects to be done at the Community Centre (electrical update & floorings) but with no fundraising we are concentrating on a small paving project that we feel needs to be done. This only covers a small area around the approach areas to the Centre. The condition is a liability and of great concern for the safety of the users of the facility. We had planned on our annual and biggest fundraisers this year for the many projects to be completed but our safety and health come first. We still have a bank account, but again with no fundraising and not knowing how long this will continue we need a contingency fund for all the running expenses. (Insurance, electricity & fuels are large bills coming due)
