Dear Mr. Muise:

RE: PCAP – Well Restoration and Repair - East Pubnico

Thank you for your application under the Provincial Capital Assistance Program (PCAP) for funding for Municipality of Argyle Well Restoration and Repair - East Pubnico project.

As requests for funding are significantly greater than the Provincial Capital Assistance Program budget, regrettably we are unable to provide support for the Municipality's Well Restoration and Repair - East Pubnico project at this time.

Should you have any questions, please contact Aileen Waller-Hebb at 902-424-7414 or by email at Aileen.Waller-Hebb@novascotia.ca

Sincerely,

Aileen Waller-Hebb, P.Eng.
