Dear Warden Muise

As you are aware, a couple of years ago the community of Abrams River installed a village sign at the beginning of the Abrams River Road. When it was installed the intension was to eventually doing more work around the sign in order to make the site look better. The plan is to build a stone edging at the foot of the sign to be able to plant greenery. The Abrams River Wharf Association would like to apply for a community grant of \$500.00 to help buy the necessary materials to complete this project. Thank you in advance.
