

Municipality of the District of Argyle

Item: Summer Meetings

Date: July 12, 2021

### **VISION STATEMENT**

We see Argyle as home to a healthy and thriving rural population. Our municipality promotes and supports economic and social opportunities for the region, and engages in the active expression of our unique Acadian heritage. We are a place of choice for rural living and are widely recognized for our warm hospitality and joie de vivre. Surrounded by fresh air and cool ocean breezes, we work and play in the great outdoors. People choose to live in Argyle because of our commitment to each other, to our community and to our neighbors. Argyle is a place we are proud to call home.

### **MISSION STATEMENT**

Argyle will provide affordable traditional municipal services for our citizens. Furthermore, Argyle will provide leadership by being actively engaged with the business community to understand their needs, and facilitate growth. We will create innovative programs to foster growth both for community and industry. We will create an environment where our residents seek our partnership in the projects that matter most, and we will provide the expertise needed to ensure those projects are successful. We seek to support and instill cultural pride and a sense of place in our communities. Our mission is founded on the belief that our community assets are plentiful, none more precious than its people, and that Argyle's assets possess the answers to our most difficult challenges.

#### **CAO's Recommendation:**

Though there are no scheduled meetings after July 15<sup>th</sup>'s Regular Council Meeting during July and August, it is possible for the Warden to call a meeting if necessary. For that reason, I would recommended postponing the next scheduled meeting to September.

#### **Suggested Motion**

Move that Council recess for the summer but reconvene if deemed necessary by the Warden and CAO.
