Re: Pop Up Covid 19 Vaccination Clinics in The Municipality of Argyle

The Dept of Health and Wellness approached the WREN to contact the region to find visible parking lots in West Pubnico and Tusket for Vaccine Pop-up clinics.

Charlene LeBlanc has reached out to West Pubnico legion and PVSC in Tusket and we have their approval.

The West Pubnico date is Tuesday October 5th, and remaining clinics will be one day, 10am to 2pm in early October.

Once we have the dates, we will promote the popup clinics.
