Dear Mayor Cleveland,

RE: Expression of Interest in Accessible Housing Discussion Group

In response to your letter of August 25, 2021, Council for the Municipality of the District of Argyle have discussed the request to participate in a SW Municipalities discussion group regarding housing. Council agrees that our combined voice on housing issues in our communities is a good approach.

Please accept this letter as confirmation of our agreement to participate in the SW Municipalities discussion group. Please have your team contact our Municipal Clerk, Eilidh Canning, to discuss dates and times associated with the initial meeting.

I look forward to working with you and other Municipal units on this topic.

Sincerely,

Danny Muise,  
Warden
