Municipality of Argyle

To whom it concerns:

Islands & District Vol. Fire Dept. would like to upgrade their fire equipment. We

would like to purchase a 2003 freightliner Eng. 44 from Barrington Fire Dept. for

CB ^{\$ 86,000.00}
~~\$70,000.00~~. This 2003 freightliner will allow us to eliminate 2 of our older fire

engines lowering our insurance cost. The Islands & District Vol. Fire Dept. would

like to know if the Municipality of Argyle could assist us in the purchase of this Fire

Engine?

Yours Truly

Island's & District Vol. Fire Dept.
