To whom it may concern,

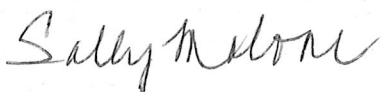

The Pubnico-Light Monument Society is asking for financial assistance for work that needs to be done at the site. Our firepit has to be removed as it is falling apart and has to be replaced.

This site is used frequently during the summer months with tourist stops, picnics, barbecues, prom and wedding pictures.

We are also an Acadian tourist stop with an interpretive panel, explaining the history of Hipson's Bridge in East Pubnico.

Any financial assistance would be greatly appreciated.

Thanking you in advance, I remain yours truly,

Sally Malone
Secretary
