

Relief of taxes for November 2022 Council Meeting

AAN #01054619

A building was erected, and information was put on the incorrect property owned by the same party, one being a business and the other personal. Owner was waiting for correction before paying as it affects their business. These accounts have been adjusted but leaves accrued interest that should be written off; therefore, I am requesting that interest in the amount of \$245.67 be relieved.

The total amount is **\$245.67**

Total being requested for relief \$245.67
