

November 2022

The Yarmouth Vikings and Par-en-Bas Sharks boys hockey teams are co-hosting the annual Timber Cup high school hockey tournament, presented by Timber Mart, at the Mariners Centre Dec. 16-18.

The tournament serves three major purposes: to showcase high school hockey, to generate economic activity for the local economy and to serve as a fundraiser for the YCMHS Vikings and PEB Sharks boys hockey programs. In addition to our players, we have a committed team of coaching staff and parents – all volunteers – preparing to greet visiting teams to our area as we run this annual event.

Since hosting a tournament is an expensive undertaking, we are approaching local businesses, organizations and individuals asking if they would be willing to provide sponsorship for this event. Here is a breakdown of the different levels of sponsorship available.

PLATNIUM: \$1,000

- 6 weekend tournament passes
- Name announced each period of all round robin and semi-final games
- Named announced once during boys and girls championship games
- Sponsorship highlighted in the tournament program (full page) and on social media
- An invitation to display signage at the arena during the tournament

GOLD: \$500

- 4 weekend tournament passes
- Name announced twice during all round robin games and semi-final games
- Sponsorship highlighted in our tournament program and on social media

SILVER: \$250

- 2 weekend tournament passes
- Name announced once during all round robin games and semi-final games
- Sponsorship highlighted in our tournament program and on social media

BRONZE: \$100

- 2 weekend tournament passes
- Sponsorship highlighted in our tournament program
