Re: Coldest Night of the Year 2023 Sponsorship

Good Day,

On February 25, 2023 Yarmouth has something to celebrate – and so could you!

That's the night folks in Yarmouth will join thousands of others in 150+ cities across Canada in "The Coldest Night of the Year" CNOY, a 2-5 km winter walk in support of people experiencing hunger, hurt, and homelessness in our community. In Yarmouth, we'll be walking for SHYFT Youth Services.

SHYFT offers residential and outreach supports for homeless and at-risk youth in Shelburne and Yarmouth Counties. These supports include transitional housing, 24/7 staff support, programs/workshops, referrals, individual planning, and access to meals, laundry, telephone and internet.

Our goal for CNOY is to raise \$ 40,000 with the support of 20+ teams and 150+ walkers. I'm writing you to ask for your support in two ways:

Sponsorship: First, would Municipality Of the District of Argyle consider sponsoring our event with an investment of \$500 or more?

Participation: Second, would you also consider engaging CNOY by registering an Municipality Of the District of Argyle team and recruiting 8-10 employees to walk and raise money with us?

CNOY is something special - it's fun, meaningful, and a little challenging. SHYFT is also something special, and its work and service in our community are essential. Please consider joining us by walking and sponsoring this great event.

And remember, its cold out there.

Warmly,

Wanda Doucette

Event Coordinator
