Hello Gordon

As you know the Wedgeport Nature Trail (a sub-committee of the Wedgeport Tuna Museum) is being used by the local people along with visitors on a daily basis. The maintenance of the trail is quite costly on a yearly basis as repairs and regular maintenance are being done whenever required. On behalf of the Wedgeport Trail Committee we would greatly appreciate any community grant that is available through your position as a municipal councillor to help offset some of these costs.

Thanks

Franklin Cottreau
