

MEMORANDUM

TO: Argyle Council

FROM: Chantalle Newell, Executive Assistant

SUBJECT: Fidelis House

DATE: February 16, 2023

At the December 13, 2022, meeting, Council received a request from the Fidelis house asking for them to support them. However, it was a vague request and didn't ask for a certain amount of money. Council asked staff to find out what other Municipalities were doing this this request. Both the Municipality of Yarmouth and the Town of Yarmouth have asked the Fidelis House to apply through their Grants to Organization Processes.
