Dear Mr. Shay and Directors of the Yarmouth International Airport Corporation Board:

RE: Brief to Mayor and Wardens

On behalf of Council, thank you for the brief, highlighting the successes the board has recently been working on to right-size the airport.

As we all know, the airport is a critical piece of infrastructure. While the progress that the board is making to achieve its mandate is incremental, it provides us all with a positive outlook on the stabilization and economic growth of the airport.

We thank you for your hard work and look forward to seeing what the board will do next.

Respectfully,
