Hi Danny,

The Hubbard's Point Community Centre is asking for assistance through the district community grants for post and set up of our village signage.

Our Association is a non-profit organization incorporated under the Nova Scotia Societies Act. A volunteer Board of Directors governs the Community Centre. No salaries are paid to any member of our Association. This undertaking is dependent upon the good will and generosity of business, volunteers and private individuals. We hope that you will give our request positive consideration. Thank you for your generosity.

Best regards,
President,

Harold Muise
