Dear Warden Muise,

Wow...What a success! On behalf of the Yarmouth Hospital Foundation Board we want to extend a heartfelt thank you to you for your continued commitment to support your regional hospital by sponsoring the *WE CARE Radiothon*.

Thanks to your sponsorship the *WE CARE Radiothon* was a tremendous success with over \$160,000 raised! The money raised enabled the Foundation to fund the full amount of the portable ultrasound, bladder scanner and electrocardiogram machine for the Emergency Department!

The *We Care Radiothon* simply could not take place without the tremendous support of partnerships and community leaders like *Municipality of Argyle*. The growth of our hospital is a direct result of the commitment of individuals and businesses like you. **Thank you for showing how much you care!**

Sincerely,

Mary Surette
