DRAFT - ARTICLE C22 - FEES AND PENALTIES.pdf;

Good morning Council,

Please see attached Fees and Penalties Policy. Please note the additions in red under section 4.

These charges have already been passed by Council in the Land Use By-Law Housekeeping amendments, however, they were missed being added into the policy. In order to have everything align, I would like to get these added fees into the policy ASAP.

Please consider this email your 7-day notice to pass the Fees and Penalties Policy as amended in section 4. This will be brought for passing next Thursday, May 25<sup>th</sup> at the Executive Meeting.

Thank you for your attention to this matter, my apologies for the oversight.
