Organization	Amount Requested	Recommended Amount	Reason for Request	Category	District Number	Column1
Patchwork Pals	\$1,500	\$ 600.00	Purchase chairs, shop vac and a colander.	Seniors Club		
			<p>Yarmouth Earth Weekend is a collaboration with Yarmouth Pickers and Scotian Shores to educate and promote a clean and a litter free community. Yarmouth has a dedicated group of pickers who give their free time picking up others garbage on beaches and roadside. During the 2023 event the event picked up a total of 15,243.1 pounds of trash removed from Yarmouth County This included the elementary schools and residents of Argyle. We are looking to host the 3rd Annual Yarmouth Earth Weekend Cleanup. It will involve at least 2 school education sessions, large community clean up and two beach clean ups over a 3-day period. Each year this work continues throughout the summer, and we look to this event to gain volunteers and promote the idea of a litter free community. Enforcing the values of teamwork and healthy living across the age spectrum. In 2023 we delivered flyers to 2000 students across the county looking for them to participate. We look forward to doing the same again this year. The 2024 event will be looking to target business in town and county encouraging them to spring clean their properties each spring. We are looking to connect other non-for-profit organizations with business to help do this work in trade of a donation to their cause. This event will be promoted to all ages of the community.</p>
