

YARMOUTH U15AA Mariners - Provincial Championships

To whom it may concern,

The Yarmouth U15AA Mariners are thrilled to be hosting the 2025 U15AA Provincial Championships! This exciting tournament will bring 7 teams to Yarmouth made up of 120 players and their families from April 3-6th 2025 to compete to be provincial champions.

With hosting this tournament comes a great deal of fundraising that needs to be done. The host team is 100% responsible for fundraising/finding sponsors to help cover the \$30000 budget that goes along with the tournament. We are seeking your support in making this tournament a success.

Our team is made of players from the Town and Municipality of Yarmouth as well as the municipalities of Argyle, Clare and Barrington. We are looking for funding from our local branches of government to help offset some cost with hosting this tournament. We are asking for \$1000 from each town/municipality that has players on our team. If that is too much we will take whatever you deem appropriate. We also can include a welcome message in our program from each municipality and town if you wish to include one in our program.

We would like to thank you in advance for helping to make minor hockey in Yarmouth affordable and fun for all. Please reach out to Adam Churchill - Tournament Co-Chair with any questions or if you are interested in being a sponsor. Phone number 9027401452 or email adamchurchill185@gmail.com

Sincerely,
Adam Churchill, Tournament Chair
