Ste. Anne du Ruisseau New Horizons Club

Re: Letter of Support for New Horizons Grant Application

On behalf of the Council of the Municipality of the District of Argyle, I am writing to convey our official support for your project and your application for funding.

Your organization plays an important role in enhancing the quality of life within our municipality. The proposed events will promote healthy living among seniors while providing fun, educational, and social opportunities for all who attend. These activities will help reduce social isolation and ensure that our most vulnerable residents have access to much-needed meals and community support.

We are confident that your application will demonstrate to the funding body the merit of your work and the significant benefits it brings to our residents. It is our hope that this letter of support will assist in strengthening your submission.

The Council extends its appreciation for your continued commitment to our municipality. Organizations such as yours form the foundation of our community, and your efforts reflect positively on Argyle as a whole.

Sincerely,

Nicole Albright
Warden
