Subject: 2025 WE CARE Radiothon

Hi Alain,

Plans are well underway for the most '*talked about*' event for the Yarmouth Hospital Foundation, the **WE CARE Radiothon** happening on Thursday, March 6th!

Last year's Radiothon aided in the purchase of 15 Patient Wrist Monitors and a Patient Data Management Platform for the expanded Cardiac Rehab program, and 2 Electrocardiogram (ECG) units for Cardiac Investigations. This would not have been possible without the help of the Municipality of Argyle ...***Thank you!***

I am reaching out today to request your support once again. We would be honoured if the Municipality of Argyle would partner with us this year as a Silver sponsor (\$2,500 value).

I will call you next week to discuss your participation. In the meantime, if you have any questions, you can reach me directly at 902-749-1669 or heather.fleck@nshealth.ca.

I look forward to working with you towards another successful event to enhance health care in our community!

Warm regards,

Heather
